VENUE

Meet in the beautiful courtyard softened by vines hanging from a central pergola with a cozy corner complete with a feature fireplace. Here you may enjoy a pre-drink and canapés, mingle with your guests and experience the ambiance that is the heart of the Cape winelands.

Roll up blinds open into a versatile function venue with sliding partitions designed to transform the area from one large room into smaller areas to comfortably accommodate groups from fifty up to two hundred and fifty guests.

There is natural light from the windows in the doors on the opposite wall. These also bring the gardens and trees into the venue and provide access onto a verandah overlooking the estate gardens and surrounding mountains. A sweeping staircase leads from this verandah directly into the garden.

The high ceilings and wooden floors enhance the overall appearance and ambiance of this large venue.

Linked to this venue by a tiled and covered corridor is another versatile area with a separate entrance and large fireplace. This may be used as a reception or smoking lounge or even a venue to accommodate children

The venue fee includes round or rectangular tables and padded conference chairs for up to 200 guests and exclusive use of the venue.

CEREMONY

We are able to accommodate a wedding ceremony outside on one of our manicured lawns lined with wonderful old trees and spectacular views onto the vineyards and beautifully maintained estate gardens.
