VINIFICATION

The fruit is cool-picked and treated like a white wine. Color and primary fruit flavours are extracted from the skins of the red grapes. They are cool-fermented in tank until 26g/l of natural grape sugar remains. The resulting wine therefore has a low alcohol and is naturally sweet.

AGEING POTENTIAL

Best enjoyed within 2 years.

TASTING NOTE

Bold flavours of roses, strawberry and cherry are carried through from nose to palate. The balance between sweet fruit and refreshing acidity is seamless. A wine with elegance, feminine characters and great ease.
